

Information for NRRI-IRRI scholarship for M.Sc. and Ph.D. students

Essential criteria for selection

1. PhD Candidates those who have completed their course work from the university approved by UGC or ICAR, not exceeding 6 months from the date of completion of course work.
2. M.Sc. Candidates those who have completed their course work from the university approved by UGC or ICAR, not exceeding 4 months from the date of completion of course work.

The information provided by the candidates is not adequate for shortlisting for interview. In view of the above criteria (Sl No 1 & 2) **candidates are requested to provide information regarding the date of completion of course work. Candidates are required to submit this information either by post or in person on the date of shortlisting**, on the basis of which candidates will be shortlisted for interview.

Date and Time of shortlisting of applications: 26th October 2018 (Time: 10.00 AM)

Date and Time of interview: 26th October 2018 (Time: 01.00 PM)

Venue: Committee room of ICAR-NRRI, Cuttack

Note: All the candidates are informed that they should bring the **documentary proof for completion of course work** and all the submitted documents (i.e. academic marksheets and awards) in original. A copy of the research paper should be submitted on the date of shortlisting of candidates.

All the students may check their email for the communication.
