

**Information sought from candidates applied for NRRI-IRRI fellowship for M.Sc. and Ph.D. research work at NRRI**

**Essential criteria for selection**

1. PhD students applying for the fellowship should have completed first semester and **should not have completed more than 2 years of registration** till the last date of applying for fellowship.
2. M.Sc. candidates should have completed first semester and **should not have completed more than one and half year of registration** till last date of applying for fellowship.

The information provided by the candidates is not adequate for shortlisting for interview. In view of the above criteria (Sl No 1 & 2). **Hence candidates are requested to provide the following information to undersigned regarding below mentioned points:**

1. The date of registration to their M.Sc. degree (For candidates applied for fellowship during M.Sc research work).
2. The date of registration for their Ph.D. degree (For candidates applied for fellowship during Ph.D. research work).

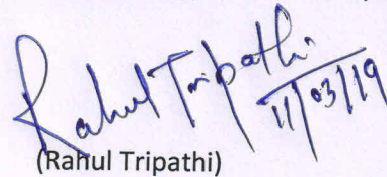

**Candidates are required to submit this information either by post or in person either before or on the date of shortlisting, on the basis of which candidates will be shortlisted for interview.**

**Tentative Date and Time of shortlisting of applications:** 26<sup>th</sup> March 2019 (Time: 10.00 AM)

**Tentative Date and Time of interview:** 26<sup>th</sup> March 2019 (Time: 01.00 PM)  
(Final dates will be communicated to the candidates)

**Venue: Committee room of ICAR-NRRI, Cuttack**

**Note:** All the candidates are informed that they should bring the **documentary proof for registration to their M.Sc./Ph.D. programme** and all the submitted documents (i.e. academic marksheets and awards) in original. All the students may check their email (provided in the application form) for the communication.
